High-efficiency Plant Light

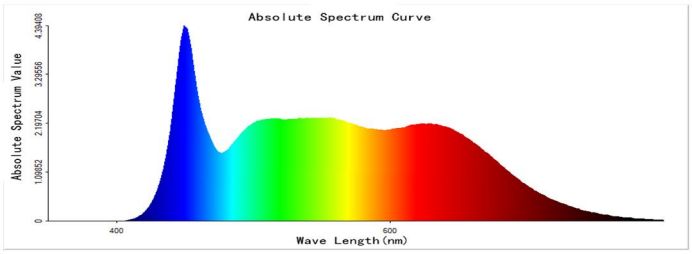

LED COB Bulb

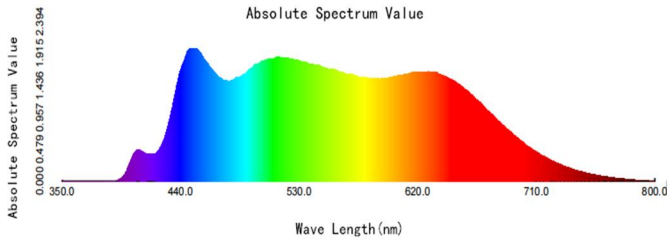

Section A

Feature

1. Customized violet excitation chip, High color rendering index RA99, restore the true color of plants
2. Full-spectrum formula with high light efficiency, closer to sunlight, effectively promoting plant growth
3. Beautiful appearance and easy to use, suitable for home, office and other places
4. The product life is 30,000 hours, with 2 years Warranty.
5.Source factory, provide OEM/ODM
